Hotel Seedamm Plaza, Pfäffikon - Location

## Program

### Wednesday, August 26

**Meeting point:** Hotel Seedamm Plaza Pfäffikon

The teams will arrive in the afternoon at the Hotel Seedamm Plaza in Pfäffikon, Canton Schwyz. Pfäffikon is a small town at the upper end of Lake Zurich, about 30km from Zurich. At the Welcome Desk, open in the afternoon, the teams will receive a welcome package with all relevant information. The Cadillacs will be parked according to year at the large parking space, where each team has its own parking space during the meeting. The day ends with a Welcome Dinner at the restaurant of the Hotel Seedamm Plaza.

### Thursday, August 27

**Toggenburg / Appenzell / Walensee / Hotel Seedamm Plaza**

After breakfast we leave for a leisurely drive through the lovely hilly landscape of the Toggenburg. As an alternative, and weather permitting, one can book a tour by cableway to the top of the Säntis, the highest mountain of the Appenzell Alps at 2502 m. At around noon, the Landsgemeindeplatz in Appenzell is reserved for us to show the oldest and most interesting Cadillacs. We will be entertained with traditional music from Appenzell, with Hackbrett and string instruments. After a lunch of local specialities, a guided tour will introduce us to the history and traditions of the town, the canton and its inhabitants.

### Friday, August 28

**Lucerne / Vierwaldstättersee / Hotel Seedamm Plaza**

In the morning, we will drive our cars to Lucerne. There, we will present our Cadillacs at the large central square in front of the Verkehrshaus der Schweiz, the Swiss Museum of Transport. Here you can experience in interesting and diverse ways the development of transport and mobility by road, rail, water and air as well as outer space throughout

Appenzell, Lucerne: Verkehrshaus der Schweiz

time and in the future. It will also be possible to visit the planetarium, which is unique worldwide, or see a film at the IMAX cinema. In the afternoon, there will be a guided tour through Lucerne.

Back from the tour, we will board a motorboat for a cruise on the Vierwaldstättersee. While we enjoy the beautiful panorama of the lake and Alps, dinner will be served on the motorboat. In the evening, we will drive our cars from Lucerne back to the Hotel Seedamm Plaza in Pfäffikon.

## **Saturday, August 29**

**Einsiedeln / Lucerne / Hotel Seedamm Plaza**

In the morning, the experts of the CLC will judge the cars in the parking space and select the winners of the trophies.

Around noon, we take a short drive to Einsiedeln, where we will park our Cadillacs at the large square in front of the impressive facade of the Einsiedeln Abbey and its church. The abbey was nominated as a UNESCO World Heritage Site.

After a quick meal, we will take a guided tour of the abbey and the church with its world-famous Black Madonna.

Back at the hotel, there will be sufficient time to relax and prepare for the gala dinner.

In the evening, we will be transferred by coach to the Hotel Seeburg near Lucerne.

As an aperitif and weather permitting, we will enjoy drinks at the Sunset-Bar in the park at the lakeside.

The gala event will take place in the splendid Panorama Hall of the Hotel Seeburg. A luxurious dinner, music, show and of course the presentation of the awards await us.

At around midnight, coaches will bring us back to the Hotel Seedamm Plaza.

## **Sunday, August 30**

**Hotel Seedamm Plaza**

After breakfast and check-out, it is farewell time. For teams that do not want to depart early, there are plans to have a barbecue for lunch in the vicinity of Pfäffikon (to be decided).
